[chorus\*]

All the single thugz  
(All the single thugz)  
All the single thugz  
(All the single thugz)  
All the single thugz  
(All the single thugz)  
All the single thugz  
Now put your marijuana smoke up

[verse 1]

Up in the club!  
We're wakin', I'm here smokin' a mari' smoke  
Don't get involved, just a short case  
Why has a row of babys  
I don't care if you fell in love with me  
Don't mind me  
Don't cry for my fault in those good years  
You can't get mad at me

[chorus]

Because if you know who I am, would hate me for it  
"Don't be mad once you see that he want it"  
Because if you know who I am, would hate me for it  
"Don't be mad once you see that he want it"

Oh, oh, oh... (Yeah! The Bronx-style)

Because if you know who I am, would hate me for it  
"Don't be mad once you see that he want it"  
Because if you know who I am, would hate me for it  
"Don't be mad once you see that he want it"

[verse 2]

I put my lips on her lips, my hands on your hips  
You grab more than their Prada Jeans  
Acting up, he drank my bottle of Gin  
Girl the night is fallen, I'll take you to my mansion!  
"I need no permission, did I mention"  
No snub! But now you gonna learn  
If you lose me, you'll burn

[chorus]

Because if you know who I am, would hate me for it  
"Don't be mad once you see that he want it"  
Because if you know who I am, would hate me for it  
"Don't be mad once you see that he want it"

Oh, oh, oh... (Yeah! The Bronx-style)

Because if you know who I am, would hate me for it  
"Don't be mad once you see that he want it"  
Because if you know who I am, would hate me for it  
"Don't be mad once you see that he want it"

Oh, oh, oh... (come on!)

[verse 3]

Leavin' the crib, now the yacht around the world  
You're the kind of girl  
A girl who lies on my bed  
She's a baby that makes me and doing my head  
We only have 1 destiny, the "Moulin Red"  
Makes me think of other things  
Not only to win those games  
Tell me who's your man  
Think good! If you feel a long pain

[chorus\*]

All the single thugz  
(All the single thugz)  
All the single thugz  
(All the single thugz)  
All the single thugz  
(All the single thugz)  
All the single thugz  
Now put your marijuana smoke up

Oh, oh, oh... (Yeah! The Bronx-style)
