[verse 1]

I'm not the Hulk, but I'm so cool (Ha-ha)
S.O.U.N.D. (yeah!)
Don't cry for me, I got that Tech
My product is stretched
I got money, I gotta mic and I got triple beam
So outlaw unit never dreamz
I'm hot I breakz it down
My music comes out of the sewerz of the black town
(BoO!)
Paint out of my pen, fillin' checkz
I don't know if I deserve an "S" on my chest
I gotta Rollz on my door, huh!
Sometimez I feel like I'm the one
For 7-digit bill comin' from the slum
I got that smoke, I got that stunt
Come on!

[chorus]

I'm blessed, I got the style
Singin' now
Let's flyin' now (So high, so high, so high)
Let's flyin' now (So high, so high, so high)
[* heart monitor beepz *]

[verse 2]

I have what I need - Look at me me me
No afraid to walk around the zone
With those stonez
[* heart monitor stopz *]
I call attention! I want
Don't care about my physical
Don't ask if I'm visible (Ha-ha)
Biggie fears no man, respect my gang
T.B.S. Thug is a killaz unit
When I forget to Tech I'm with Uzi
She likez my fluid!
Don't be afraid of thiz music
Rich Slim gave the crop
We're workin' to the last drop
sweat, don't hate us!
Fuck the feds, we incriminatin' copz

[chorus]
I'm blessed, I got the style
Singin' now
Let's flyin' now (So high, so high, so high)
Let's flyin' now (So high, so high, so high)

[bridge]
Don't hate us!
Don't be ridiculouz! (yea!)
Life goez on! They're combinin' clothez
When I'm around they run to their holez
[* gunshot *]

[verse 3]
Musically I can't be so good
Don't waste time with a book
My wrist is a lil' engine, nigga is shook (huh!)
You wonder: "Why so much rhyme?"
Play Big 'n' 50 in a pot, you're ready to die?
When I'm out the Ak and AR
I'm still ready for war (what?)
You should be in the wrong hood
I put the black bag with those zipperz
The fake Biggie! Check it! Since 89 the skipper

[chorus]
I'm blessed, I got the style
Singin' now
Let's flyin' now (So high, so high, so high)
Let's flyin' now (So high, so high, so high)
(So high, so high, so high)
Let's flyin' now (So high, so high, so high)
Let's flyin' now (So high, so high, so high)
