[intro]

Yea! Biggie!

[verse1]

I received my first kiss, bounce!
Oh! Biggie Sound! Y'll will be around
Don't be in love, uh-huh
Don't let it touch you when you want, uh-huh
So high and so boss, so ghetto, so hood
I don't care for what you feel, so good!
In tha Bentley or tha Benz I go to the next level
I'm not a niggoo, I'm not one of these people
Fall in love by Hennessy
Take it wherever you go to Miami or to tha street
Put your mari' smoke up, put your hands up
We're just kids tryin' to stay up
My paper, three times its paper
Ok! Let's go! I'll not leave you neither scraper
Huhhhhh

[chorus]

Nigga I'm serious
My crew isn't playin' (uh-huh)
Better than ya brain
No return to chain (uh-huh)

Nigga I'm serious
My crew isn't playin' (uh-huh)
Better than ya brain
No return to chain (uh-huh)

[verse2]

Don't cling to heart
Cling to material things and futile a star
In tha ghetto, in Miami, in Cairo or in your hood
Hold the pose, with his face out of the Benz-Wood
Guys call me "Martelo", is the Disco Inferno
Let's go! "You're now rockin' with a pro"
Step, turn, move, baby I just want a lil' mo'
Niggaz the breakdancin' on the dance floor
Don't let the glock down, don't let the smoke down
Don't let the bullet-dope down, you're rockin' with Big

Sound

So gutter, whoa! Now blow up New York
With that bottle of rose and a few drops of J. Walk!

[chorus]

Nigga I'm serious
My crew isn't playin' (uh-huh)
Better than ya brain
No return to chain (uh-huh)

Nigga I'm serious
My crew isn't playin' (uh-huh)
Better than ya brain
No return to chain (uh-huh)

[verse3]

U see me out there droolin'
U see me out there foamin'
Life was made to take
Now! Girl your ass was made to shake
Noooo, in front of me
Don't fall in love for nothin' girl
I'm internationally known in the world
I like those shiny stones
She can move bones
"We gonna be up in this bitch 'til the bright daylight."
Detonate the club tonight
Yea!

[chorus]

Nigga I'm serious
My crew isn't playin' (uh-huh)
Better than ya brain
No return to chain (uh-huh)

Nigga I'm serious
My crew isn't playin' (uh-huh)
Better than ya brain
No return to chain (uh-huh)

Nigga I'm serious
My crew isn't playin' (uh-huh)
Better than ya brain
No return to chain (uh-huh)
