[talkin']

Now it's for real man!

[verse 1]

I'ma warrior in the Bronx

Tryin' to succeed in life

Say out loud: "I want to enjoy tonight!"

Poppin' some bottles, lickin' some pussy

Your guys don't know how this shit (yea!)

So talk them: "Look the Biggie and see!"

I hypnotize the crowd, I get drunk bitches

The party ain't over, yet makin' many riches

His girl is waitin' for me with her legs open

Let's drink! His nigga has been stolen

I'ma pro and I'm turnin' a Heineken (ho!)

Bring my dough

Stop! Fake Biggie represented!

You know, I gotta go!

The crusher, the smoke, I'm stroke!

[chorus]

Look! Look! Look!

The Biggie will blow it all!

I know you can see

Don't talk that shit, I'm the Emperor here

[verse 2]

I want to take your girl from the hood

My style is classic

She read it in my heart

I gotta lot of money and I'm a star (huh!)

Your crew dared to shoot me

Challengin' me, but God blessed me

Takin' it there and bringin' it to me

I need her, I need to do it

New York is in my heart (ha-ha)

Playin' "Compilation Criminal" and befo' "Dangerous Goods"

She sucks my finger, she's already one of my big-houses

Then she touches our mouths

Yea nigga! She's with me! (hahaha)

[chorus][2X]
Look! Look! Look!
The Biggie will blow it all!
I know you can see
Don't talk that shit, I'm the Emperor here
