[Big Sound]

Open the box nigga

What's next? Who's next?

That baby say what I'm sex, NOW relax!

Let me, now I want to express

Strikin', don't want to tarnish my Rolex

[girl voice]

(I-will-give-me-to-you)

(I-will-give-me-to-you)

[Big Sound]

I'm out there runnin' on Benz'n Lambo

Releasin' smoke

Throwin' my ammo

Walkin' down the sidewalk not forget that girl

That's why I call you the night

Let's go warm up the world

Open the box

My party is on top

Damn, will only give the gang of B-Sound

If you play on the floor and then scroll down

Look at the style, let's make it a hell

You're gettin' warmer and we'll not stop

Weapons and Rap, go together to the top

My name is Biggie, as well as the "Kinggie"

DJ back the sound again

Hennessy and Don Perignon

Frees up a round of Gin

Play dice and don't talk shit

Not play in business

We're not out there playin' with kid

[chorus- Big Sound][2x]

Sell your shit?

This is the box that is going

They welcome Big Beat

Yeah, yeah, yeah

This is the sound of Big Beat

[Big Sound]

I drop the box on the streets  
Open the box and now niggaz bitches  
My sound permeated the avenues  
Han, J. a box for you precious  
The Bronx is on hit too

They scream, look at the box  
Run nigga!  
I'm shootin' and I'll not stop  
They scream too  
Throughout his life, so "Big Sound Thug"  
We can't wait to go to the club

The heat on the dance floor  
My, Bentley, is already stoppin' at the door

[Hard hittin']

Bitch, move your ass  
Call me Big Beat, feel the gas  
The niggaz are dancin' break dance  
The box is shakin' the club  
You know my fame

Girl! Bring Hennessy  
This party is noise in the street  
What? We'll not stop until dawn  
This is my life (echo)

Put a drink in the glass  
Don't want to chat with Mr. Hennessy  
I'm the boss, puts the sound of B.I.G.  
I'm dizzy and this is our way  
We're the pimps all day

[chorus- Big Sound][2x]  
Sell your shit?  
This is the box that is going  
They welcome Big Beat  
Yeah, Yeah, yeah  
This is the sound of Big Beat

[Big Sound]  
Will move bitch  
The ghetto is makin' its noise  
Southside, it's time to shine  
Let's all touch the sky

Rest in peace Biggie Smallz  
I'm startin' to tain  
Rest in peace Tupac  
The shadow of kings I shakin' the box

Come to my mansion  
You want to fuck nigga  
Pay attention to what I'm talking  
I don't mind breakin' into your head  
A bottle of Johnnie "Walking"

(I-will-give-me-to-you)  
(I-will-give-me-to-you)

Girl's battery box is not just  
I'm the Bad Boy style with a soldier  
She didn't get your hands on my shoulder
