[verse 1 - Biggie Sound]

She needs me - I need it  
I want it, you can't stay with it  
I'm confused, I don't know what I feel  
This's new! I can make betta  
I gotta big heart, I'm no fatta  
I got jewelry, but you don't get out of my head (yeah!)  
I try not to pretend, but I see that I'm in love again  
For you I'm tearin' my cream  
With those jeans - I could not dream  
Now find a reason to sleep  
You rollin' and rollin' in his lingerie with a Hennessy  
(Ha-ha)

[chorus - MC Quita]

Shine or make rain  
I want to play with you in this game  
I don't know you, but I'm lovin'  
I don't know you, but I'm lovin'

[verse 2 - Biggie Sound]

A heart in tha sky, I paid the Air Force  
Surprise! Look at me, down, here in the Porsche  
Kiss dear! Gotta go!  
I'm no Paco! Biggie will carry it to the casino  
I'm comin' from San Marino (Huh!)  
We'll do a world tour  
A kiss for you my baby giiiiirl  
Yeah! I think I ended up in I.C.U.  
Call emergency! I'm completely crazy about you  
Say what you feel it too  
Yeahhhhh!

[chorus - MC Quita]

Shine or make rain  
I want to play with you in this game  
I don't know you, but I'm lovin'  
I don't know you, but I'm lovin'

[verse 3 - Biggie Sound]

I don't know, I don't know, what's on my mind  
How long we need to see  
She's always around me

Impressive, silky hair and a charmin' smile  
Well that Jim told me, she was always here

[computerized voice]  
How was it?

I'm impressed, she knows how  
It's like Jimmy and Q. hmm hmm kissin'  
It's like Shaw and J. King, man, they are missin'  
Rich spoke: "It has to be your way!"  
Nigga, love isn't only that, it's passionate!  
Come on, guess who's back?  
How are you? Like kids receivin' a candy pack

[chorus - MC Quita]  
Shine or make rain  
I want to play with you in this game  
I don't know you, but I'm lovin'  
I don't know you, but I'm lovin'
