[verse1]

Leavin' bitchhouse with a pocket full  
I'm going out to party with the guys  
My paper born, my paper grows  
My paper developin', but he doesn't die  
Now I get down (get down), now I get up  
I'm spendin' my money in the club  
I became a millionaire, now take a thug life  
She like my style, she loves the Bad Boy (The Bad Boy)  
The strike is blowin' your brains  
My cream is buyin' their gambles  
I got so much ammo, "The Big Thug" is like commando  
I got money - I got a Lambo  
Now you'll see my name among the rich  
You'll see my bitch shooting at its bitch

[chorus]

My paper born, my paper grows  
My paper developin', but he doesn't die  
She likes my style - Com'on guys!  
My paper born, my paper grows  
My paper developin', but he doesn't die

[verse2]

Mo'fucker I'll run you over with my Ferrari  
I'm sorry - You're game over, there will be at home  
party  
Okay - Okay - I don't know where I'm goin' for the  
money  
The police are chasin' me, the feds are so funny  
They think as they get me  
They've been watchin' too much TV  
This's real life  
Your car will not reach my Lamborghini  
Shit, my crew is in the hood  
Guys, turns on the light of the Mercedes-Wood  
I'm crazy for a hot fuck  
Criminal is criminal and I'm rockin' on your club  
Not enough shootin' on my block  
Don't shoot the bottle, we can't lose a single Hennessy  
drop

[chorus]

My paper born, my paper grows  
My paper developin', but he doesn't die  
She likes my style - Com'on guys!  
My paper born, my paper grows  
My paper developin', but he doesn't die

[verse3]

I'll call the pimp of tha city - Ohh - Heyy  
I'll spend the cream until the day comes - Ohh - Heyy  
Ohh yeah - Com'on girl  
Now on a yacht, now around the world  
Enough of Hip-Hop - No mo' click-clack  
Now I shoot around  
I'm makin' money - Oh is the Big Sound  
Outlowz brought the hood feelin' and the voice of  
niggaz  
I'm the youngest among the biggerz  
Come here bitch, I'm new stanky rich  
She likes my style - she likes my style  
I'm fuckin' you, you're asking for help  
It's Big!

[Big Sound talkin']

This's for you enemies - click-clack Bang!  
Damn, I'll burst damn, I'll burst damn (hahaha)
