[intro: The Biggie Sound]

She has not noticed, we're on fire
She has one desire, I'm even hotter
So is this! So is this! (Huh!)
Breakin' it down at night! Just tonight?
You hear me right?
Alright! Go! So go!

[verse 1: Jim Rampage]

We're fucked! Not staged this act
That's right! We're back!
This time we're not gunnin'
Slowly but surely, we're just comin' (let's go!)
Girl will take you to heaven
Make no mistake, we still make the 187
Who says we need to flip
She's on fire, I'm movin' in that wip (yea!)
Handcuffs and whips, she will creep
Tonight we just will not sleep

[chorus: MC Quita]

I'm on fire
I desire! (hoo)
Phone numba
His dough and his flow (hoo)
His show
I down and down (hoo)
You're the best around
I down and down (hoo)
His name is Biggie Sound

[verse 2: The Biggie Sound]

I put you on fire
You make me feel even hotter (come on!)
I'm heavyweight! I'm pure concrete
Passin' on the street I'm more of a gangster monkey
It's hot! It's hot!
They point to me like a precious rock
Damn! Now style I got
I'm not a silly way around (yea!)
T.B.S. get the money! Pound and mo' pound
I make it rain in town

[chorus: MC Quita]
I'm on fire
I desire! (hoo)
Phone numba
His dough and his flow (hoo)
His show
I down and down (hoo)
You're the best around
I down and down (hoo)
His name is Biggie Sound

[verse 3: MC Quita]
On fire, I'm on fire
I want to get
I can't wait to give you a grip
[Jim Rampage: Come swingin' shit!]
In this unit has no freak
I'll catch him and pet him
The blanket is on fire
Burstin' a Hennessy and a cider (hoo)
Let's skip this stage
Slap in the face, now burstin' Tanqueray
Can I do this all day

[chorus: MC Quita]
I'm on fire
I desire! (hoo)
Phone numba
His dough and his flow (hoo)
His show
I down and down (hoo)
You're the best around
I down and down (hoo)
His name is Biggie Sound

[The Biggie Sound (MC Quita)]
You can chirp it (yea!)
The betta it will work it (yea!)
I wantchu see burn it (yea!)
