No, no, no, you ain't gettin' no, (Dear Jayne)

No, no, no, no you ain't gettin' no, (The American Dream)

[Verse 1:]

[The-Dream:]

They say they see me in the club, (A!)

I was all hugged up, (A!)

But you know that they be hatin' on us,

Know that they be waitin' on us,

To fall right out of love.

[Ashley:]

Boy you know you need to stop it,

Don't you change the topic,

My girl seen you in the spot,

[The-Dream:]

Ask her what I wearin',

[Ashley:]

She named it all even the audi mauze watch you wearin',

It was you, all up on the girl, you!

[The-Dream:]

That girl, this girl tell me which girl

[Ashley:]

See, you just told on yourself,

You was gettin' your club on, gettin' your thug on...

[Chorus:]

It's okay, baby it's alright,

You ain't gettin' no - tonight,

It's all good, make it understood,

You ain't gettin' no - tonight,

You was all up on her booty,

Thinkin' I'm playin' but you gon' see,

The sofas right there, I hope you sleep tight,

You ain't gettin' no - tonight

[Bridge:]  
Fall back, (fall back)  
Fall back, (fall back)  
Fall back, (fall back)  
Fall back, (fall back)  
Fall back, (fall back)  
Fall back, (fall back)

[Verse 2:]

[Jasmine:]

What you don't know is,  
While you was chillin' in the club,  
I was gettin' text messages from my girl,  
Then she sent me a pic, of you and this chick,

[The-Dream:]

See there she go again,  
Your girl on some bullsh\*t,  
She ain't even my type and,  
You know what I like

[Jasmine:]

My Louis V,  
My Gucci jeans,  
Well her whole outfit look just like mine

[The-Dream:]

Now girl you know that sh\*t was fake (ooh ooh)

[Jasmine:]

But baby this ain't up for debate,  
You swear you love me,

[The-Dream:]

You know I miss you girl

[Jasmine:]

No, what you missed was my call,  
When you cut your phone off!

[Chorus:]

It's okay, baby it's alright,  
You ain't gettin' no - tonight, (Quit playin')  
It's all good, make it understood,  
You ain't gettin' no - tonight, (I'm gettin' for real now,  
quit playin')  
You was all up on her booty,  
Thinkin' I'm playin' but you gon' see, (Man, they lyin' on

The sofas right there, I hope you sleep tight,  
You ain't gettin' no - tonight

[Bridge:]

Fall back, (fall back)

[Verse 3:]

[The Dream:]

She, her, him, them,  
All up in our business

[Ashley:]

Now I'm all up in your grill,  
Like homie what the deal is,  
But I know,  
She was all up in your car,  
Button, button, button, button, button,  
Until you got down to her bra,  
Oh you doing me wrong,  
You was all up in the wrong!

[Chorus:]

It's okay, baby it's alright,  
You ain't gettin' no - tonight,  
It's all good, make it understood,  
You ain't gettin' no - tonight,  
You was all up on her booty,  
Thinkin' I'm playin' but you gon' see,  
The sofas right there, I hope you sleep tight,  
You ain't gettin' no - tonight

[Bridge:]

Fall back, (fall back)  
Fall back, (fall back)  
Fall back, (fall back)  
Fall back, (fall back)  
Fall back, (fall back)  
Fall back, (fall back)

It's okay, baby it's alright,  
You ain't gettin' no - tonight,  
It's all good, make it understood,  
You ain't gettin' no - tonight,  
You was all up on her booty,  
Thinkin' I'm playin' but you gon' see,  
The sofas right there, I hope you sleep tight,  
You ain't gettin' no - tonight
