Verse 1

Come let me school ya, shorty
Teach u a couple thangs
Put u up on game if you wanna get down wit me
I need 2 feel ya babe, u need a second swag
Don't try 2 play me daddy cuz I'm not havin that
80,000 dollar bills, livin in ya mama's crib
(?), no clothes, ain't takin care of none of yo kids
The baby mama drama & all that silliiness
That's a no no, baby, & I'm not havin it

Chorus

That's a no no
Don't have yo girl callin my phone
no no
I thought you said u lived alone
That's a no no
Grabbin my arm up in the club
that's a no no, no, no no, no no no
Don't be kissin on my hand like we in love
That's a no no
Makin promises u won't keep
no no
Tellin lies & keepin secrets safe from me
that's a no no
No baby mamas or 7 kids
that's a no no, no, no no, no no no
I'm just not havin it
