Pretty lady wont you come
to the place that i call home
away from home
when im on the road
and im not sleeping
when you're not breathing
so we just fall

please darling see these sheets
that i like to call my sheets
when im on the road
and shes all alone
so pretty baby wont you see
this life i love to lead
when im on the road
and im on my own

and i still do
i swear i still do
there is a road
it's calling my name
and i still do
i swear i still do
i can hear you
calling my name

and im not sleeping
when you're not breathing

so we just fall

please darling see these sheets
that i liek to call my sheets
when im on the road
and shes all alone
so pretty baby wont you see
this life i love to lead
when im on the road
and im on my own

and i still do
i swear i still do

there is a road
it's calling my name
and i still do
i swear i still do
i can hear you
calling my name

and i still do
i swear i still do
there is a road
it's calling my name
and i still do
i swear i still do
i can hear you
calling my name
