Drinking more Than I ever have before  
I cant explain The way the rain Feels when it  
Hits my skin  
It's caving in  
I need more medicine To kill the pain  
I'm burning up I can feel the flame  
Another cigarette To fill the space  
Another breath I cant replace  
I can ruin myself  
I can see myself in Ruin  
An angel cries Through the night  
Waiting on An alibi  
While I've got demons dancing Through the halls  
Of my mind  
What am I?  
I'm confident I'm insecure  
without gravity Ive got no control  
I'm a wrecking ball And you're porcelain  
See our citadel

Its crumbling

I can ruin myself  
I can see myself in Ruin  
I can build myself  
It's the tower thats so hard to see

It wouldn't hurt to fall  
I'm so close to the ground  
It wouldn't hurt to fall  
I'm already down

It wouldn't hurt to fall  
I'm so close to the ground  
It wouldn't hurt to fall  
I'm already down

It wouldn't hurt to fall  
Im so close to the ground  
It wouldn't hurt to fall  
Im already down

It wouldn't hurt to fall  
I'm so close to the ground  
It wouldn't hurt to fall  
I'm already down
