I can't wrap my mind around it  
I never thought that much aboutÂ...  
baby what do you mean

I can't stand and face this world alone  
I wish you'd make your way back homeÂ...  
You're the one that I need

I know its my own fault you left me  
Â'cause I could never give you the loveÂ...  
you were giving to me

AwwÂ...Make a u-turn, make a u-turn baby  
Wont you turn around make a u-turn Â...  
And come back to me

I knowÂ...(I know)  
Why I got a cold shoulder  
From those angel wings  
But please don't goÂ...(don't go)  
Come on turn around, love  
And make a u-turn to me

Just give me one last chance to make it right  
One more dance to hold you tightÂ...  
And make you believe

YeahÂ... I can make a change, I can make a change  
baby  
Open up your heartÂ...

Cause IÂ'm coming clean

AwwÂ...Make a u-turn, make a u-turn baby  
Wont you turn around make a u-turn Â...  
And come back to me

I knowÂ...(I know)  
Why I got a cold shoulder  
From those angel wings  
But please don't goÂ...(don't go)  
Come on turn around, love

And make a u-turn to me

I never meantÂ...  
NoÂ... I never meant to hurt you..ohh  
I want you backÂ...  
I want you so badÂ...  
Come back to meÂ...Â...Â....Yeah

And I knowÂ... (I know)  
Why I got a cold shoulder  
From those angel wings  
But please don't goÂ... (don't go)  
Come on turn around, love  
And make a u-turn

And I knowÂ... (I know)  
Why I got a sour taste  
From the sweetest thing  
But baby don't goÂ... (don't go)  
Come on turn around, love  
And make a u-turn to me
