Well I can't say how it feels to be
Standing down there looking up at me
Lets get a beer before the show
And I'll tell ya man how it's gonna go
I know you drove a long, long way
And I'm sorry brother but I can't stay
You brought the beer so I'll make the time
But I gotta go before I lose my mind

Cause we're only in it for the money
Nothing else will ever do
Yea we're only in it for the money
Yea a fistful of cash and your girlfriend too

Now I'm gonna tell ya how it's gonna be
You're gonna give all your money to me
You're gonna buy all that crap we sell
Yea give us your cash and then go to hell
Bring your girlfriend out to the van
Leave her with us cause she's in good hands
If you want to hang out then go buy some more beer
Cause I told ya son and ya know that we're

We're only in it for the money
Nothing else will ever do
Yea we're only in it for the money
Yea a fistful of cash and your girlfriend too

Now some bands will say that they care about you
Before they take your money and your girlfriend too
But I ain't gonna stand up here and lie
Cause we don't want nothing your money can't buy

Cause we're only in it for the money
Nothing else will ever do
Yea we're only in it for the money
Yea a fistful of cash and your girlfriend too

Yea we're only in it for the money
Nothing else will ever do
Yea we're only in it for the money
Yea a fistful of cash and your girlfriend too
