

## Death & Taxes "Green River"

Middle of the night  
Got your head in your hands  
Middle of the road  
Moonlight and beer cans  
Can see it like a movie in my mind  
And you make the same mistake every time  
Did you see in his eyes when he offered you that ride?  
Did you it wrong down inside?  
Did you close your eyes and shut out the pain?  
When he took you down that river

I want you to stay, stay away  
Don't go down that green river today  
Stay away  
Don't go down that green river

Midnight, shadows and red eyes  
Blood turns black in the moonlight  
Still see your face it's burned in my mind  
You're twenty-one forever

I want you to stay, stay away  
Don't go down that green river today  
Stay away  
Don't go down that green river

When you feel those arms around you  
They won't be mine  
With the darkness all around you  
They won't be mine

Well he took you, raper you and left you  
There for all to see  
Stripped of all your dignity  
Middle of the night  
Got my head in my hands  
I'd wish you'd stay

I wish you'd stay, stay away  
Don't go down that green river today  
Stay away  
Don't go down that green river

Stay away  
Don't go down that green river today  
Stay away  
Don't go down that green river
