I lost my grip on it all  
All the pain is unresolved  
All the words that meant so much  
Stolen - abused - raped - and fucked  
Same old story, they'll suck it dry  
Leave me with nothing  
Leave me to die  
Taken for granted and lost in the mix  
Misrepresented  
Forsaken and dismissed  
But count me in  
I came to fight - I came to win  
I came prepared for anything  
More than the rest will ever know  
I'll take this as far as it has to go  
I shed my blood on the streets  
Left behind a piece of me  
Always coming up with more  
Unleashed the hatred strip to the core  
I can't forget, I can't pretend  
Every turn is a dead end  
Running in circles for all of my life  
Dead to the system  
Choaking on all the lies  
But I can't die  
I'm in a world of shit  
Where I'll never fit  
I'll fight to win  
In a life so cold  
Every way I'm pulled  
I'll stay the same inside  
In a day so long  
Whether right or wrong  
I'm here until the end  
COUNT ME IN  
More than the rest will ever know  
I'll take this as far as it has to go  
COUNT ME IN  
I'm here until the end
