I know I got a bad reputation  
And it isn't just talk, talk, talk  
If I could only give you everything  
You know I haven't got

I couldn't have one conversation  
If it wasn't for the lies, lies, lies  
And still I want to tell you everything  
Until I close my eyes

Suddenly I'm on the street  
Seven years disappeared below my feet  
Been breaking down, do you want me now?  
Do you want me now?

Suddenly I'm down in Harold Square  
Looking in a crowd your face is everywhere  
Been turning around, do you want me now?  
Do you want me now?

Don't try to be an inspiration  
You're just wasting your time, time, time  
You know I'm about the best I'll ever be

I see it in your eyes  
I know I got a bad reputation  
And it isn't just talk, talk, talk  
If I could only give you everything  
You know I haven't got

Suddenly I'm on the street  
Seven years disappeared below my feet  
Been breaking down, do you want me now?  
Do you want me now?

Suddenly I'm in another place  
Looking in the crowd  
I think I see your face  
Been turning around  
Do you want me now?  
Do you want me now?

Do you want me now?  
Do you want me now?  
Do you want me now?  
Do you want me now?

Don't you think I've heard the talk  
Nobody's going to tell me who to look  
Been breaking down do you want me now?  
Do you want me now?

Suddenly I'm in Harold Square  
Looking in a crowd, your face is everywhere  
Been turning around, do you want me now?  
Do you want me now?

Do you want me now?  
Do you want me now?  
Do you want me now?  
Do you want me now?

But I'm just breaking down, down, down, down, down  
Been breaking down, down, down, down, down  
Been breaking down, down, down, down, down  
Been breaking down, down, down, down, down
