I don't mind the weather  
I've got scarves and caps and sweaters  
I've got long johns under slacks for blustery days

I think that it's brainless to assume  
That making changes to your window's view  
Will give a new perspective

And the hardest part is yet to come

I don't mind restrictions  
Or if you're blacking out the friction  
It's just an escape it's overrated anyways

The hardest part is yet to come  
When you will cross the country alone
