"Little Boxes"

Little boxes on the hillside,
Little boxes made of ticky-tacky,
Little boxes on the hillside
Little boxes, all the same.

There's a pink and a green one
And a blue one and a yellow one
And they're all made out of ticky-tacky
And they all look just the same.

And the people in the houses
All went to the university,
And they were put in boxes,
And the came out all the same.
And there's doctors and there's lawyers
And business executives,
And they're all made out of ticky-tacky
And they all look just the same.
