[Ms. Tee]

When we met I thought we were ment to be
Now you listening to your friends, you doggin me

I'm sitting at home crying on the phone
I don't understand how our love is gone
(I don't understand) Why you leavin' me alone
(I don't understand) Why you treat me wrong
(Why you treat 'em wrong) Just because I made
mistakes in the past
doesn't mean our love affair can not last

[Chrous]

Luv'en you (luv'en you) is the only way I can show U
