I once knew a girl
In the years of my youth
With eyes like the summer
All beauty and truth
In the morning I fled
Left a note and it read
Someday you will be loved.

I cannot pretend that I felt any regret
Cause each broken heart will eventually mend
As the blood runs red down the needle and thread
Someday you will be loved

You'll be loved you'll be loved
Like you never have known
The memories of me
Will seem more like bad dreams
Just a series of blurs
Like I never occurred
Someday you will be loved

You may feel alone when you're falling asleep

And everytime tears roll down your cheeks
But I know your heart belongs to someone you've yet to
meet
Someday you will be loved

You'll be loved you'll be loved
Like you never have known
The memories of me
Will seem more like bad dreams
Just a series of blurs
Like I never occurred
Someday you will be loved

You'll be loved you'll be loved
Like you never have known
The memories of me
Will seem more like bad dreams
Just a series of blurs
Like I never occurred

Someday you will be loved
Someday you will be loved
