Life is sweet in the belly of the beast
In the belly of the beast
And with her song in your heart
It can never bring you down
It can never bring you down

Lost in a maze of a thousand rainy days
Of a thousand rainy days
But when I heard her voice
Oh, it led me to the end
(Oh, it led me to the end)
Yes, it led me to the end

'Cause when she sings
I hear a symphony
And I'm swallowed in sound
As it echoes through me

I'm renewed, oh, how I feel alive
Through autumn's advancing
We'll stay young, go dancing

As the music plays
Feel our bodies sway
When we move as one
We stay young
(Go dancing)

Life is sweet in the belly of the beast
(In the belly of the beast)
In the belly of the beast

And with her song in your heart
Oh, it can never bring you down
(It can never bring you down)
It can never bring you down

'Cause when she sings
I hear a symphony
And I'm swallowed in sound
As it echoes through me

I'm renewed, oh, how I feel alive
Through winter's advancing
We'll stay young, go dancing
Stay young, go dancing
Stay young, go dancing
