On two bicycles  
On a hillside desolate  
Could nature make a man of me yet?

When in this charming car  
This charming man

Why ponder life's complexities  
When the leather runs smooth  
On the passenger seat?

I would go out tonight  
But I haven't got a stitch to wear  
This man said it's crucial  
That someone so handsome should care

Ah! I'm just a country boy  
Who never knew his place  
He said return the ring  
He knows so much about these things

He knows so much about these things

I would go out tonight  
But I haven't got a stitch to wear  
This man said it's crucial  
That someone so handsome should care  
La, la-la, la-la, la-la, this charming man ...  
La, la-la, la-la, la-la, this charming man ...

Ah! I'm just a country boy  
Who never knew his place  
He said return the ring  
He knows so much about these things  
He knows so much about these things
