You measure your days in hours  
you measure your hours in kisses  
you measure your kisses in dreams come true  
you measure you dreams in years

if what you want and what you get  
are the same, i won't know what to do with myself  
if what you want and what you get  
if what you want and what you get is not me

if this is too much for you i'll understand  
because it's far, far too much for me  
your constant laughing eyes make it hard to breathe

if what you want and what you get  
are the same, i won't know what to do with myself

if what you want and what you get  
if what you want and what you get is not me

you say you want to be my friend  
i just want to see you naked in my bed  
i'll tell you about Jesus and all he's done for me  
but in the back of my mind i wonder what you'd look  
like  
naked in my bed in the morning

if what you want and what you get  
are the same, i won't know what to do with myself  
if what you want and what you get  
if what you want and what you get is not me
