This is the last... time
I will...
Take this...
Fucking shit from you
It seems...
This torture...
Has come... to an end
This torture... has... come to an end
Your... intentions... to severe...
My strength
Have... failed... and nothing can bring me down
This is the last...
Time I will
Take this shit from you
Now... we take up arms
To end... this battle
Now it's our time
To reign
This is the last... time
I will...
Take this...
Fucking shit from you
It seems...
This torture...
Has come... to an end
