We always bring you "suffer" and "brutality"  
We take revenge of hatred  
Condemned for penetration  
And killing that measures  
Perforate knife  
Embarrassed killing  
And go on, more hate  
Bare hate exists

I still cum blood  
For the victim of my own  
I love ripping your skin  
I am digging you down  
You're the person of the dead  
Screaming bodies so long

Crushing heads collective measures  
There is no reason  
Blood red burn and suffocation  
Mutilation  
Depths of filth, a vacant murder  
For my survival  
Burning skies for defecation  
Exhumation

Flesh for only waste  
Head is spite on fire  
Carcass putrid stench  
Carnivores desire

Condemned for hate  
Condemned for fire  
Condemned eternal  
Condemned desire

Condemned

The rules of the dead  
Are your only importants  
Any kind of flesh  
For the appetite of mass  
Collective ripping

With bloody teeth  
To break the incantation of my damnation  
Your head is spite on fire to kill splashed

Pure hate, suffocate  
Hell awaits, condemned
