Maggots to orgy  
Filthy embalment  
Croaching for bloody  
Organically erection

You must cry, painful dying  
Enter death, escape from life  
Back from hell, I was cutting  
Storch and scream, you'll beg for knife.

Rotten  
Rot to be dead  
Unburied  
Filth's full of air  
Impaled by the lords of the dispatching chain  
Dead end  
Corruption moral

Murder Corporation to the eyes of the denied  
Follow excrementation over yours you never die!  
Emaciated corpses lying parted everywhere  
Sinuoused by the demon, causes death in hell and here

Virgin, your liquide cumes over me  
Cunt is wide opened, I'll beg for more

I was so blind for the other chicks  
A virgin of lust and porn  
Going to hell like my cock you've pissed  
Adored the cunt, back from hell

Murder Corporation to the eyes of the denied  
Follow excrementation over yours you never die!  
Emaciated corpses lying parted everywhere  
Sinuoused by the demon, causes death in hell and here

Don't try to bleed for me  
I'll fuck your cunt  
This hell of compulsory  
Don't be a rampant

...murder...
