Never rely on someone else  
You gotta do what you gotta do for yourself  
Life is hard - but we can win  
We're born to struggle - and we're born to sin  
And what we want - sometimes we can't get  
But life is short - so get what you can  
I'm tired of wallowing in my misery  
And everyday is just the same old story  
Deep inside I know that I deserve better  
I'm fucking tired of being miserable and bitter  
Safe to say - I'm goin nowhere fast  
I'm headed full speed - down a dead end path  
Well that's alright cause my time's coming soon  
Turn it around - born to WIN! - not to lose!  
I'm tired of waiting  
My life is wasting  
And when you fall - you've got to rise to your feet  
(face defeat)  
Cause if you don't - this fucking world's got you beat  
(you're weak)  
Look out for you  
Look out for number one  
It's up to you  
You get the job done  
Never rely on someone else  
You gotta do what you gotta do for yourself
