So go ahead and talk about me
it only fuels my fire
you won't take this home from me
This is my one desire
they think they know about the time that's been spent
life that I lead, tears that I shed
you won't take this from me, I'll never give in
We chose to rise above the lies
the ignorance and the hypocrisy
FUCK YOU! 1-2-FUCK YOU
I'll never give in! I haven't lost faith
you won't take this from me

Where has it gone, where did I go wrong
I've got to stop blaming myself
why do I blame myself?
People will talk and say what they want
this is my life, do what I like
This is our life, let's do what feels right!
That's right, 3-4-5-6-7 later.
You can laugh and talk behind my back
it only fuels my fire, go ahead and laugh
stab me in the back, this is my one desire!
