I want to throw myself  
Off this stinking planet  
Erase myself  
From the population  
Grasp onto something new  
(I want to) remake the improved

To keep you alive  
Just to fuck you again  
My world this is why they need you  
Lack of intelligence - Lack of instincts  
Buried deep in the Christian heart  
Lack of insight - Lack of comprehension  
Bound down  
Bound by god's almighty love

Allow me to leave  
So I can come back again  
Probably crawling on my knees  
As human as it gets  
So humane  
And I hate it

To keep you alive  
Just to fuck you again  
My world this is why they need you  
Lack of intelligence - Lack of instincts  
Buried deep in the Christian heart  
Lack of insight - Lack of comprehension  
Bound down  
Bound by god's almighty love

Allow me to leave  
So I can come back again  
Probably crawling on my knees  
As human as it gets  
As humane  
And I hate it

They all will gather  
And listen to the preaching

Forgetting everything else  
And their brains at home

Sucking it in  
And chewing every word
