Stupid messed up kid
Just look at what you did
How did you get up here?
These nights are longer than the days
Stupid pissed up sod
Dripping tears... pissing blood
No one's going to miss you
'Cos you move in different ways

Welcome to

The amphetamine zoo
Point at me
Because I look like you
Oh, this'll never do...
And I hate
What you say
Get away
I know it's true
Paid for a day
At the amphetamine zoo
Break my teeth
But I can't get through
