She was on her own,
She bled to get...
By.
[Bet they can't see you,
Bet they can't read you,
Bet they are indifferent,
They're never gonna need you.]
He was always on the phone,
Lying in the gutter,
Gazing up at the...
Sky.
[Bet they can't see you,
Bet they can't read you,
Bet they are indifferent,
They're never gonna need you.]
Say it to yourself,
Say it over and over,
Say it to yourself
To make it real.
Say it to yourself
And get fucked over,
Write it in yourself
To make you feel.
Say it to yourself,
Say it over and over,
Say it to yourself,
No going back.
Say it to yourself
And get fucked over,
One times blue and
Two times black.
Everyone's available,
You know.
You've got to keep them interested.
Everyone's for sale,
You know.
We're always open to the highest bid.
Everyone's available,
You know.
You've got to keep them interested.
Everyone's for sale,
You know.

We're always open to the highest bid.
You made me erase me,
Killed the innocent in-...
Side.
[Bet they can't see you,
Bet they can't read you,
Bet they are indifferent,

They're never gonna need you.]
Genocide grew up to replace me,
Filled the void,
Now let's all fucking
Die.

[Bet they can't see you,
Bet they can't read you,
Bet they are indifferent,
They're never gonna need you.]

Say it to yourself,
Say it over and over,
Say it to yourself
To make it real.

Say it to yourself
And get fucked over,
Write it in yourself
To make you feel.

Say it to yourself,
Say it over and over,
Say it to yourself,
No going back.

Say it to yourself
And get fucked over,
One times blue and
Two times black.

Everyone's available,
You know.

You've got to keep them interested.
Everyone's for sale,
You know.

We're always open to the highest bid.
Everyone's available,
You know.

You've got to keep them interested.
Everyone's for sale,
You know.

We're always open to the highest bid.
[Bet they can't see you,
Bet they can't read you,
Bet they are indifferent,
They're never gonna need you.
Bet they can't see you,
Bet they can't read you,

Bet they are indifferent,
They're never gonna need you.]
