Nemesis is back!

"This house is cleaned!" Said the priest after exorcism
Death lives here no more so my work is done
After spending the week on the hill, the father just
wanted to rest
But he would never leave from the house of the
haunted soul

Resurrection in the house of Hades
Death is alive

Doors and windows sealed as the air began to freeze
The priest could nearly breathe as he grapped his
cross in fear
From within the house something shouted it loud
"Priest stand back and leave, this house belongs to
me!"

Return of the Nemesis
The nemesis is back

[Solo: Corpse]

Resurrection in the house of Hades
Blood will flow

"Help me god!"

Darkness falling fast as the light disappears
Nemesis is drawing near, menace from the attic
Unholy stigmatas burning blessed flesh
Servant of heaven now rots in Hell

Desecrating dying hour - Blasphemous feast
Lunatic of god's creation - the Poltergeist beast
In the house of 1000 deaths, holy blood is she'd
Servant of heaven forever rots in Hell

Exorcism went I'll in the house of the hounted soul
Life became a lie and death was truly alive
The house falls asleep only to be waken again

'Cos Evil never dies - Polter fuckin' geist

Return of the Nemesis
The Nemesis is back

Return of the Nemesis
The Nemesis is back
