ÂŠulmum IÂštar! ÂŠulmum IÂštar!

Morningstar, where the twilights meet - Inana
Eveningstar, bless the adept with Thy power - Astarte
Eveningstar, spread your veil of black - Astarte

Parcum Âša emkqim!
Stand by our side in war!
Parcum Âša nukurtim!
Parcum Âša ercatim!
Parcum Âša UÂšumgallatim!
Morningstar, where two twilights meet - Inana
Eveningstar, spread your veil of black - Astarte
Finally at the top of the stairs, before the entrance
Entering Her temple, the temple of the Death
Goddess...
