As you collapse on the altar o'child of light  
When the cold light pierces through  
You pray for forgiveness and redemption

Be the rope that binds the weak  
Take them deeper downward  
Be the choice they can't neglect  
Be the razor, be the hammer and the nails

Reveal the antagonist  
Let the powers black flow on through

Be the rope that binds the weak  
Take them deeper downward  
Be all the chains bound so deep  
Be the razor, be the hammer and the nails

Death's true embodiment

As you see the light of all lights  
You know you are on your way-  
These are the ways of the opposer  
Divine are his ways  
Nightmares in flesh and blood  
As you are sworn beneath

Hollow epoc of your life now wiped away  
With a crystal clear mind  
To march through the gates

Death's true embodiment

As you see the light of all lights  
You know you are on your way  
These are the ways of the opposer  
Divine are his ways  
Nightmares in flesh and blood  
As you are sworn beneath

Hollow epoch of your life now wiped away  
With a crystal clear mind

To march through the gates
