Yiii-eeee Nyarlathothep!

Whispering of the faceless  
Devouring sorrow of the earth  
Walker of the cold wastes  
A shadow out of time  
Mesmerizing!

Yiii-eeee Nyarlathothep!  
Lord of Death  
And the blind gods dance  
As the Chaos crawls

Drawn towards the infinite horrors of beyond  
Where the everlasting walls of Kadath shine  
Where forever echoes the notes of the blind  
Where god's are eternally enslaved by Chaos

Losing awareness and soon to fall  
Follow the monstrous atrocity  
A dream you cannot deny  
A dream inside a dream

Black seas of infinity  
Dwell in utter silence  
Beneath the thousand-faced moon  
The Chaos crawls

Sardonic laughter - voice of the void  
Roba El Khaliyeh - the empty space

Echoes of the black throne  
What used to be, shall be again

A second storm coming  
A storm of resurrection  
From the desert's of Roba El Khaliyeh  
Come, bring death to all!

[Solo: Cult]

Yiii-eeee Nyarlathothep!

Lord of Death  
And the blind gods dance  
As the Chaos crawls
