Living by the graveyard  
Digging holes for the dead  
Old and peaceful man  
Didn't see it coming  
At one fatal night  
A ghost rised from his grave  
A ghost from the silent past  
Flew to the old man's house  
"do you still remember?"  
"yes, and now I see!"  
"the priest took me to church and molested me!"

Undertaker  
Takes you down  
Six feet under  
Still you wonder  
Undertaker  
Takes you down  
Final vengeance  
Kill all holy men

"I must have my revenge!"  
"I cannot forgive!"  
Although father has died  
Disciples will suffer  
"priesthood is gathering  
In that old wooden church  
Pain from my past will be buried away  
I have to dig the graves, 12 graves altogether  
The deepest one to the hill for me and myself!"

Undertaker  
Takes you down  
Six feet under  
Still you wonder  
Undertaker  
Takes you down  
Final vengeance  
Kill all holy men

Attack to the church, let the shovel taste the blood  
"blood stains the altar, but I mustn't kill them yet!"

Bury them alive, panic in their eyes  
Fulfilment in my mind as the last priest dies

Undertaker  
Takes you down  
Six feet under  
Still you wonder  
Undertaker  
Takes you down  
Final vengeance  
Kill all holy men
