"All"

If you want me to turn around
This engine will run til dawn
And this evening will show me your eyes
Or will you distance yourself from the crime

Maybe you don't go slowly
Maybe you leave the window open
Maybe you give it all

Is it easier to survive
If you love like a careless fight
You say you wanted to keep it alive
As the smoke passes into the sky

Maybe we don't go slowly
Maybe we leave the window open
Maybe we take it all

Maybe we don't go slowly
Maybe we leave the window open
Maybe we take it all
