Every time you wake, dreams come tumbling down
The careless love you take, I'm just another face in the crowd
Your forgetful eyes keep driftin?
Am I ever going to catch them now?

Angela Dangerlove, I'm yearning my life away
Angela Dangerlove, I guess I got time to waste

Ever since you've shaken me, I'm knocked down
under your spell
Your disenchanted rhapsody plays me like a hollow shell
These days go laughing by
Am I ever gonna catch you now?

Angela Dangerlove, I'm yearning my life away
Angela Dangerlove, I guess I got time to waste

That I don't know you well is something I can't deny
Just enough to dream, a fool by the trick of the light
I came closer than you think
I saw a tear fall from your eye

Angela Dangerlove, I'm yearning my life away
Angela Dangerlove, I guess I got time to waste
I guess I got time to wait
