"Beautiful World"

Seems you let a lot pass you by
When you let ambition decide
Everything has went up and gone
And all your money left you alone

We made a planet, a beautiful world
Let love surround it, and give it a whirl,
I can't understand why it's so hard to keep
This beautiful world living and free...

Time to let the watch unwind,
Tell your heart to make up your mind,
We can't wait to give at the end,
Wasting all the time we can't spend.

We made a planet, a beautiful world
Let love surround it, and give it a whirl,
I can't understand why it's so hard to keep
This beautiful world living and free...

Running after things you don't need
Is bound to trip you up with your greed,
Stop you hand from lifting its load,
Tell that traveler come on home
