Hey Annie, hey, don't you run away
Said, I won't leave you behind
Just you wait one longer day
Just you ease your mind

Yes, ease your mind
Hey Annie, don't, yeah
Annie don't you run away

Hey Annie, hey, don't you cry
Said, I won't let you down
I never meant to say goodbye
To this love I found

Yes, this love I found
Hey Annie, don't you
Hey Annie, don't you cry

Said, I've been gone for too long
And I've been too far away
It'll seem like I was never gone
Hey Annie, don't stop waiting

Hey Annie, hey, don't you lose your heart
Said, I won't leave you behind
Said, I loved you always from the start
Just you ease your mind

Yes, ease your mind
Hey Annie, don't you
Annie, don't you lose your heart
Hey Annie, don't stop waiting
