And all of these chains, a sweet caress
And all of my weight was tenderness
Every time we had it put to bed
Oh, the tables are turning 'round and I'm in it again

Oh yeah

Now's the ending of our second chance
And there's no telling where we're gonna go
Save what I was spending at the circus and
Save everything I can before I'm blown away

Oh yeah, oh yeah

Every time you had it put to bed
The reason I initially believed
I finally found someone certain and
He left a flower inside of you, only for me to see
Only for me to see

Oh yeah, oh yeah
