You got love in the cashbox, baby
Now give it to me
Diamonds on the dresser
Bring 'em on here you see

Didn't your momma tell you
It's better to give than to receive
I've been stealing your love
Bring it all night long

Didn't I give you that golden necklace?
What about that golden ring?
Sure do think you're precious
But you don't trust me

Didn't your daddy tell you
It's better to give than to receive?
I've been stealing your love
Bring it all night
I've been stealing your love
Bring it all night long

You got something in the register, baby
Let's open that sucker up
Jewels on the nightstand
So luxurious

Didn't your brother tell you
It's better to live than to be dust?
I've been stealing your love
Bring it all night long

I've been stealing your love
Bring it all night long
I've been stealing your love
Bring it all night long
