## "City on Fire"

Woke up this morning in a bed, in a bed of fire  
People and buildings in my head burning there tonight  
Tonight as I lay sleeping, I try to hold your hand  
One eye open and dreaming that this city is on fire

Tell me sweet things in the middle of the night, it's the  
middle of the night  
Open my window and the room is filled, filled with  
burning light  
Tonight as I lay sleeping, I try to hold your hand  
One eye open and dreaming that this city is on fire

Woke up this morning in a bed, in a bed of fire  
People and buildings in my head burning there tonight  
Tonight as I lay sleeping, I try to hold your hand  
One eye open and dreaming that this city is on fire
