Shakin 'em down and drunk on a holiday
Dishin' them 'lectric blues in an old school way
Lucy and Glenda Jones in an Old beef bone
Drinkin' that whiskey juice till they're all alone

They was blues conquistadors
Soul conquistadors
Blues conquistadors
Soul conquista

Old Betty Moe was movin' it and doin' it right
Muddy and John Lee rockin' in the house of blue light
Trouble and worry come back on another day
Nellie's aunt Bee got down and began to pray

They was blues conquistadors
Soul conquistadors
Blues conquistadors
Soul conquista

You, you, you gotta, gotta mess around to feel right
Then you slow it down sometimes just enough to get
me home
You, you, you got me diggin' in a cold mine
Diggin' in a blue mine, Jesus gonna help me get there

With them blues conquistadors
Soul conquistadors
Blues conquistadors
Soul conquista

Twenty odd years since they burned that checkerboard
lounge
Listen that howlin' wolf make a nasty sound
Muddy and John Lee, you know they passed away
But the Gin room boogie still make you shake a leg

But the Gin room boogie still make you shake a leg
But the Gin room boogie still make you shake a leg
The Gin room boogie still make you shake a leg
The Gin room boogie still make you shake a leg
