Baby's gonna change her life
She's made up her mind
She leaving her girls behind
And her lovers unkind

Crazy Mary, look back and you're done
Just hold on and run
You're on your way

Ain't nothin' gonna break you down, Mary
I'm on your side
Nobody can touch you now, Mary
Though troubles won't pass you by

Finding it hard to begin
To let the sun rise
To leave what was doing her in
What was making her blind

Crazy Mary, just keep to yourself
Your old friends won't help you
To make your escape

May you be well on your road
I know you'll get by
Life is the flower that grows
From the knots we untie

Crazy Mary, look back and you're done
Just hold on and run
You're on your way

Ain't nothin' gonna break you down, Mary
I'm on your side
Nobody can touch you now, Mary
Though troubles won't pass you by

Ain't nothin' gonna break you down, Mary
I'm on your side
Nobody can touch you now, Mary
Though troubles won't pass you by
