How can I know that it's real now  
How can I know that it's real now

Don't wanna sleep cause you wanna play  
Don't wanna talk cause you wanna kiss now  
Get this party underway  
Sugar shake down to the Earth let's sing now

Sweet soul dancing underway  
The system the man can't hijack this now  
Let feminine love rule the day  
All that woman you can't resist now

Ever since ya pulled me under  
You're the only one I'm dreaming of  
Yeah you are the seventh wonder  
Help me I'm fallin' in...

Take a look around the world today  
Can you feel it in the air now  
Revolution in the records that play  
In the beats that they're shooting through the streets  
now  
Tragic kings have lost their way  
Its you and me and your mother that pays  
Every soldier's coming on home  
And they're playing it through the streets now  
Every soldier's coming on home  
Yeah, they're blasting it through the streets now

Ever since ya pulled me under  
You're the only one I'm dreaming  
Yeah you are the seventh wonder  
Help me I'm fallin' in...

Lightning strike such a loud hit, shaking up the  
disconnect to respect with a sexual switch  
Turned on, shined on, showered on, flow: let's avoid a  
meltdown  
Ever since ya pulled me under

Don't wanna sleep cause you wanna play

Don't wanna talk cause you wanna kiss now  
Get this party underway  
Sugar shake down To the Earth lets sing now

Sweet soul dancing underway  
The system the man can't hijack this now  
Let feminine love rule the day  
All that woman you can't resist now

Ever since ya pulled me under  
Take a look around the world today,  
In the beats they're playin' in the streets now,  
Revolution in the records that play, ever since ya pulled  
me under...
