In Flander's fields where the poppies blow  
Between the crosses, row by row  
To mark our places and in the sky  
The larks go bravely singing, "Fly"  
Scarce heard amongst the guns below

From Flander's fields  
We will come running home  
From Flander's fields  
We will rise up  
Singing  
We will rise up

We were together short days ago  
Breathe the air, saw the sunset glow  
Loved and were loved but now we lie  
In Flander's fields I hear her cry  
In Flander's fields I hear her cry

From Flander's fields  
We will come running home  
From Flander's Fields  
We will rise up  
Singing  
We will rise up  
Singing  
We will rise up

Take up your quarrel with the foe  
To you from flailing hands we throw  
The torch be yours so hold it high  
We will not sleep though we lie  
We will not sleep though we lie

From Flander's fields  
We will come running home  
From Flander's fields  
We will rise up  
Singing  
We will rise up  
Singing  
We will rise up

Singing  
We will rise up  
Singing  
We will rise up
