Dance under the missile glow  
Over the eastern sea  
Gunshot by the side of the road  
Highway scenery

Revolution got no goals  
Except keepin' the family together

Dang chains ain't sweet on you  
Freedom fighter, don't let 'em get you alive  
You won't change a damn thing, this is true  
Freedom fighter, keep your head on tonight, keep it on  
now

Take me on with you now  
Take me along with you tonight

She came late for the tank parade  
With emancipation song  
Plugged in a guitar and played  
And sang of Spanish bombs

Jackknifed inside and prayed  
The world has come undone, yeah, whatever

Dang chains'll look good on you  
Freedom fighter, don't let 'em get you alive  
You won't change a damn thing, this is true  
Freedom fighter, keep your head on tonight, keep it on  
now

Take me on with you now  
Take me along with you tonight

Dang chains'll look good on you  
Freedom fighter, don't let 'em get you alive  
You won't change a damn thing, this is true  
Freedom fighter, keep your head on tonight, keep it on  
now

Take me on with you now  
Take me along with you tonight
