Well I know I might have let you down  
I know it's hard to turn around  
But can't you take one look at me  
Before you leave me dyin'?

I know I might have done you wrong  
I might have taken all, left you none  
But do you blame me for living?  
Honey nothin' lives forever

I will carry  
I will carry you  
I will carry  
I will carry you

Now can you trust, can you believe that  
Life ain't what it made me to be  
I'm just a little shaken up  
I'm just a little lonely

When you can't walk, when you can't sleep  
As life gets hard, things get bleak  
Well just come my way knockin'  
Baby I ain't goin' nowhere

I will carry  
I will carry you  
I will carry  
I will carry you

Well said I won't let you stumble  
Said I won't let you fall  
Said I won't let you fail and wait  
No, I won't let you go

I dreamed once of different streets  
A better place for you and me  
We were laughing and talkin'  
Sunlight filled the room

Now when I look behind your eyes  
No, my dream, it ain't a lie

Or some story that we heard  
When no one else was listening

Can you trust, can you believe that  
Life ain't what it made me to be  
I'm just a little shaken up  
I'm just a little lonely

When you can't walk, when you can't sleep  
As life gets hard, things get bleak  
Well just come my way knockin'  
Baby I ain't goin' nowhere

I will carry  
I will carry you  
I will carry  
I will carry you
